ROTONDO WEIRICH ANNOUNCES KEVIN ZYNN AS DIRECTOR OF OPERATIONS – PROJECT MANAGEMENT

Lederach, PA – September 27, 2011– Rotondo Weirich is pleased to announce that Kevin Zynn has been promoted to Director of Operations for Project Management.

Kevin Zynn has been with RW for over 5 years and has successfully performed in the role of Superintendent, Project Manager, and Project Executive.

“With our primary goals for the company being to produce the best quality product, in the best way possible, and offer our customers the best price, we need to ensure that our personnel has the support of dedicated managers,” said Mike Artman, V.P of Operations. “As Director of Project Management, Kevin will offer advice and guidance through leadership to the project managers. This will give the team the focus and assistance that they need, which ultimately leads to the customer’s satisfaction.”

As Director of Project Management, Kevin is committed to developing teamwork, and a savvy staff of project executives, project managers, and assistant project managers; focused on cost control, schedule, and client communication.

About RW

Rotondo Weirich, Enterprises, Inc. provides precast modular construction solutions for correctional facilities, military, and residential housing. Our unique on-site manufacturing model brings the quality and efficiency of a factory to the local project site, eliminating any geographical limitations. This also allows us to invest in the surrounding communities through the hiring of a project specific labor force, utilization of local subcontractors, services, and supplies. Our mission is to provide our clients with the Best Quality product, for the Best Price, designed and manufactured in the Best Way to meet each projects specific needs. To find out more about RW, visit www.rotondoweirich.com.
